

St. Herbert's R C Primary School

Spring Term

2nd February 2022

Just a few updates as we approach February half-term:

Miss Chadderton

As you are aware, Miss Chadderton (C6 teacher) is commencing her maternity leave at February half-term. Miss Dunn will be covering Miss Chadderton's maternity leave, and will commence employment from Monday 7th February, to ensure a seamless handover occurs over the next two weeks. We wish Miss Chadderton and her family well, and we look forward to seeing pictures of a baby soon! Welcome to Miss Dunn!

Parking

A plea! Please can you not park in Edward Street - it is now causing a problem for our residents, and at certain time periods would hinder emergency vehicles getting into school grounds if there was an emergency. Vehicles are nearly blocking our school gates, and preventing staff and those with disabilities getting on and off our car park. There is plenty of parking space in the Parish Centre and the Cemetery. Thank you for your assistance in this matter.

Barney

Well, he didn't last long on his police training course! :)))

Barney was very distressed, and all Barney wanted to do was come home and be with us and our school family. Whilst we were all excited for the opportunity offered to Barney, and it all happened very quickly, we are thrilled he is back. We will now update his blog on the school website, and keep you informed on the work he is/will be doing in school.

February Half-term

School finishes for our half-term break on Thursday 17th February at 3pm (Learning Centre is open as normal that day).

Have a lovely half-term,

Kind Regards

Mrs S J Milligan
